Policy of Scholarship and Freeships

Objectives of awarding and Scholarship and Freeships:-

Objectives of these schemes are to increase enrolment and to financially assistance to (a) meritorious students coming from weaker economic background/ rural (b) Girl students and (c) Scheduled Castes (SC), Minority groups, Sports and Other Backward Caste (OBC) students, the Institute may award (i) Scholarships, (ii) Tuition Waivers (Freeships), (iii) Book Bank facility.

Scope:

- These scholarships are available to Inter and intra State students for academics including University Positions, Sports and awardee are selected by scholarship in charges.
- These are applicable to all students who are currently beneficiaries of the scheme as well as fresh admission.

Procedures to apply:

To apply government scholarships, students are assisted by teachers to fill forms as per government rules and regulations. For in house scholarships, Principal decides eligibility criteria in consultation with scholarship in charges and are revised from time to time. Some scholarships are offered at entry level and some scholarships are offered in between the session. Applications with eligibility criteria are duly invited from students for each scholarship and date is mentioned in the notices. Notices are properly circulated in the classes, telegram group, WhatsApp group or respective classes. Every year Name and number of Scholarships are also published in the prospectus.

Payment Mechanism:

Amount decided after scrutinization of forms, eligibility criteria and interview, scholarship amount is set off in college fee of students so as to assist them in continuing their education.
